Summary

 ctf

 [Submit report](#)

You can only submit to the same programme for limited number of times.

The “Submit Report” button will only appear if:

You have **NOT** submitted the submission limit of the programme
This programme is still accepting submissions

Programmes may stop accepting submissions if:

1. Submission limit is exceeded
2. Programme has closed

Participate on a program – Step 2 – Submission for ATF

The screenshot shows a web interface for submitting a program. At the top, there's a header with 'ATF' and a background image of a modern interior. Below the header, there's a 'Submission form' section. This section contains three main areas highlighted with red boxes: 1. A 'Name*' field with a text input containing 'Team ABC'. 2. A 'Description*' field with a rich text editor. The editor contains the following text: 'Team Leader James - role D', 'Team member' followed by a bulleted list: 'Kyrie Irving - role A', 'Jeremy Lin - role B', and 'Mike - role C'. Below this, it says 'Deck in Google Slides' followed by a Google Docs link: 'https://docs.google.com/presentation/d/1g3HICmnJVIdLYIn3fevFDpD3o_Oj7-0K6FDRJ0OUing/edit#slide=id.g1f87997393_0_782'. At the bottom of the description box, it says 'MVP' followed by a GitHub link: 'https://github.com/FinleyLi/MultiCharts-PowerLanguage'. 3. An 'Add attachment' button. To the right of the form, there's a 'Summary' card showing 'atf' and 'Posted 3 hours ago'. At the bottom of the form, there's a checkbox for 'By submitting this report, you agree to our Terms and Conditions.' and two buttons: 'Save draft' and 'Submit submission'.
